

2013 Eastern Iowa Classic at U of I Ashton

It was another hot day on the home course but as you can see we improved throughout the line-up from the prior week. Some improved dramatically. More importantly we handled the competition well and brought home 9 of the 15 medals awarded for the race. The importance of this group to continue its progress cannot be understated since we need to keep pushing our varsity in their own efforts to improve. Keep up the good work and congratulations on a job well done!
