

2012 Divisional

Congratulations are in order for all three squads. The fresh/soph ran their best race of the year in defeating the same Senior team that beat you by 17 last week. Stella ran a smart race from the front. Aminata and several others ran PRs on a cold and windy night. Allison also ran a strong winning the JV title. A charged up Senior team edged us in the team race and took advantage of their opportunities but we ran our tanks to empty as evidenced by the PRs on a course which ran about 25-35 seconds slower than Dubuque's soccer complex where most of you got your earlier PRs. Finally the Varsity ran hard, and in many ways better than a week ago despite finishing third. Courtney continues to gain strength, Morgan gains confidence, Ellen shows leadership and everyone runs hard. There are tactical things to work on, and we will, as we prepare to meet the same teams that beat us last night next week. Sign up for the State Meet bus girls. It will be a good ride!!
