

Burlington 2003

When opportunity knocks seize it. At Dankwardt Park we did just that. Our remade varsity dominated and turned in some outstanding performances. Clair and Lindsey had their best races of the season and there were 3 varsity prs with Angie taking 19 sec off hers. The Fresh/Soph team would have placed second to our varsity in the varsity race and our JV would have been a close 4th if only 7 of our runners were allowed, 3rd if all were allowed. Congratulations to Sarah and Paige on their victories and to some huge prs from Tiffany, Katie O., Caroline, Grace (71 sec!) and Claudia. There were 15 prs in all and 31 varsity credits. Your hard work is reaping rewards. Keep the intensity and spirit girls. You are the best.
