

Hawkeye 2000

Saturday was a good demonstration of taking care of business after a hard week of practice. People took turns in the varsity pack pushing the pace and dominated the race. Annie really stepped up in her first varsity race you all raced aggressively. The junior varsity ran equally well and soundly defeated Davenport Central's varsity squad. From top to bottom we ran hard and strong. There were many prs and season's best despite running tired. We have some good competition at our races this coming week and I look forward to watching you compete. Keep up the good work girls!
