## Super Meet 2005

We ran like champions yesterday. Cedar Falls, West, Kennedy and Xavier threw everything they had at us. The Fresh/Soph ran against girls that would have been 5<sup>th</sup> varsity runners from Wahlert and Washington and faced a very good Cedar Falls team and prevailed getting us off to a great start. The JV completely dominated a field of 149 runners taking 5 of the first 7 spots and the Varsity shook off the rust and set aside aches and pains to defeat their toughest Iowa competition this year. The cold wind that Cedar Falls felt wasn't just out of the northwest, it was the red of City High whooshing by them through the middle and latter portions of all three races. Congratulations girls on a job well done. Below you can compare your times to our other two Noelridge races.
