

2007 Bud Williams

The Harvest Moon over City High was a fitting backdrop after a meet where the Little Hawks reaped the rewards of a summer and fall of hard work. We had 17 PRs and 9 Season's Bests and would have had more had several of the Varsity been instructed to hold back for Saturday's meet in Minneapolis. We also had several girls running with illness or ailments that gave courageous efforts and trust me they did not go unnoticed. I was very proud of you all. A special congratulation goes to Cassie Panther who ran her fastest race since her freshman year. That is a great accomplishment for a senior and speaks volumes about our Junior Varsity which would not be JV at so many other schools. Thank you girls it is a great way to head into our October season. Let the harvest continue!!!
