

2009 Eastern Iowa Classic

It was good to see a great team effort even when we ran without our seven fastest runners. We ran with pride and heart. We ran until it hurt. We dominated the F/S and JV races and competed well in the Varsity Race. There were many time improvements despite a rather humid day. How about those freshmen—they had prs all over the place!! This will serve as great motivation for those running at Griak on Saturday. Thanks Girls!
