

2014 Eastern Iowa Classic

Congratulations to the Varsity for their hard fought victory last night over a solid Hempstead team on their home course. It was an important win with District seedings coming out in another 10 days. We are making progress but need to continue to work towards closing the gap between our 4th runner and 5,6 and 7. This requires the continued efforts of all—Varsity and Junior Varsity. The JV also competed well with our first 4 all earning varsity credits and you were running your second race in 4 days. The past 2 weeks of training and racing will lead to another next week with Bud Williams (and its expanded varsity) and the West Branch run—this will prepare us for October when we enter into the biggest meets of the season. You deserve kudos for your efforts yesterday. Keep focused as we work to make this team as good as it can be.
