

2014 Solon Invitational

Perfect conditions a flat course, which was comparable to Noelridge (comparing varsity North Scott times with l meets) led to whole lot of fast times last night. But rather than getting caught up in the times, be glad that we competed well with 8 varsity credits out of a JV race and took another step forward in our fitness with good effort from top to bottom (including the workout by the varsity prior to the meet). Also thanks for helping the boys tal down the camp as darkness was setting in.
