

2016 Bud Williams

It was great to see our varsity back in action after last week's cancellation. Unfortunately Mary was unavailable due to illness but we ran well on a cool windy day. The course was accurately measured and in good shape. It was quite windy for the JV race but we had some outstanding performances throughout. The varsity maintained a great pack through 1.5 miles and led to 2 more girls running under 20 and more closing in on that important mark. We are in a good spot going into the final two weeks of the regular season. Next week it is Super Meet where we will go up against West and face challenges from Cedar Falls, Senior, Hempstead and Linn-Mar. You should all be excited at the prospect of the opportunities ahead.
