

## 2012 Eastern Iowa Classic at Dubuque Soccer Complex

Near perfect weather conditions, fast turf and good preparation led to a whole lot of fast times yesterday. The course ran about as fast as our own. The JV ran superbly. Our front pack of four set the pace nicely and burned off competitors from other teams and Stella, Soumba and Izzy picked them off for a clean sweep of the top seven. It was great to see Courtney back in uniform and Morgan running with the front group from the start. Our Varsity ran well but got beat by a very good Kennedy team. Molly continues to make progress and we continue to have a solid pack. Depth remains our obvious strength if we continue our commitment to training, mental toughness and belief in ourselves we will close the gap on teams like Kennedy.
