

Bud Williams 2012

Despite the distraction of the homecoming parade, which so many were a part of immediately afterward, and the hard workouts earlier in the week, as a team we competed well yesterday. The course ran a little slower than at Little Hawk because the length of the grass was slightly longer and it was a little warmer. Nonetheless several had PRs including the winner of the JV race who did so a fourth year senior—congratulations to Sophie. Next week and in all the remaining meets we will face very tough competition. It is time to take it up another notch girls. Make every practice count and every race hard because the team needs you more than ever!
