This meet is special. It's special because it's named after the coach that put City High XC in the habit of winning conference and state titles. It's special because former Head Coach Tom Mittman fired off the starting gun tonight for the varsity race. A coach that also won conference and state titles. This 2019 XC team is special. It's special because of the energy, it's special because of the hard work ethic, and it's special because you are showing the coaching staff that you love competing! We competed well tonight against quality opponents. Our Varsity beat one ranked team, and two others that are on the bubble of the rankings. Our Junior Varsity (comprised of 9-12 graders) beat a good Pleasant Valley squad, and we think we can beat DBQ Senior again when we aren't racing 14 in the Varsity race. We had another great night for PR's and SB's, and they came in bunches. These don't happen magically, they happen by diligent work, and desire after the gun goes off. Keep striving for greatness Little Hawks!
