

District 2015

Yesterday we accomplished goal # 1. We qualified for State. We did so convincingly and had three All-District members in Mary, Anna and Emily. Aly missed by only one spot. We didn't have quite the competitive edge that I saw at Super and Divisional and were beaten by two very good teams in Bettendorf and Pleasant Valley. Still, they remain within reach. And, if we can reach and pass them, we can run all the way to the Fort Dodge balcony. *Dream a little*. It isn't a fanciful dream but one that has a basis in reality. Making it a reality is a worthy goal regardless of whether or not it is attained and should be a great ride. Thanks for taking me along for the trip girls!
