

Divisional 2002

What a great way to close the regular season!! Those of you who have been tapering delivered in a big way with the result being a record 47 PRs and 8 Season's Best times yesterday at Noelridge. All three teams dominated with the intensity of a championship team. Yes, we ran like champions and I can't remember a better overall team performance by all three teams since 1999. Congratulations to all of you on an outstanding effort. Let's fill the buses to State with the same spirit and intensity on November 2nd!!
