

Divisional 2007

So the regular season ends with cross country weather and a memorable meet. We have made great progress this season and the future, immediate and long term, is bright. The Fresh/Soph was short their season long leader and Cassie R was sick. Yet the team competed better than ever. Britney O's race was astounding and provided a great lift. The whole squad stepped up and set the tone for the day's other races. The JV swept their race and would have finished in the middle of the Varsity team standings! Lindsay led the charge and won the run off for the varsity spot with a fine race. The bold print tells it all with 10 prs and 9 Season's Bests in that race alone. It has been another outstanding season and the JV continues to be the best in the State.

The Varsity race was another knock down drag out affair which led to a tie score and shows how valuable each team member is. Congratulations to Brittany D, Jess and Cassie for stepping it up. We are getting stronger each meet. There are two weeks left in the season and two more challenges. To the Varsity, "Bring the Beast"! To the rest, let's fill the bus to State and line the course there. I want another Team Picture and the Championship ones are the best!!
