

Eastern Iowa Classic

On a warm, humid day with lots of distractions you returned to Noelridge and swept 3 races against a very tough West High team. The times reflect the conditions and should not be a concern. You can see however, that most of you ran faster than two weeks ago on the same course despite the conditions. What isn't captured on the paper was the intensity of effort that I saw in all three races last night. Brittany took her running to another level and led the Varsity to a hard fought narrow win. The Fresh/Soph won their first race of the season avenging defeats by West and Washington earlier in the month. The JV very nearly had a perfect score and dominated their competition. Congratulations to Bri for her PR and to Kelsey Arens who came within 2 seconds of her Season's Best last night. Keep up the good work girls!
