Today was a lot of fun! Our coaching staff had fun watching you compete hard, and do your best in an intersquad format. That is not an easy endeavor, and our team went in with positive mindsets. The team battle was fun to watch unfold, and the scores were close and competitive. You honored your teammates by racing them today, and pushing each other every step of the way. We are off to a great start this season! Keep building these next two weeks, and hold yourself and each other accountable to keep getting better. The 2020 season could be a great one for the Little Hawks!
