Congratulations on a successful first meet of the 2020 season! Both squads raced confidently, and our coaching staff heard many team members go into their race with high aspirations. Our coaching staff loves that about this team. The JV race was full of great performances, and congratulations to Tatum for winning the individual race! We took the next twelve spots in the race with some pack running!

The Varsity squad went out fast, aggressive, and ready to race from the starter's gun. While you might pay for that during the 3rd mile, you also learn valuable data that comes in handy later in the season. Your toughness also builds throughout those situations, and this 2020 team is mentally and physically tough! Congratulations to Rowan on winning this race for the second year in a row! On a side note, the Athletic Director from Hillcrest Academy told our coaching staff that all of our runners did an amazing job with COVID guidelines and protocols. Thank you so much for being leaders!
