We would like to take this opportunity to pay homage to the senior class! You were freshmen during our first year as head coaches. We remember it like it was yesterday, and to see the growth you have made as runners and people is inspiring. You have been challenged your senior year with competing in cross country during a pandemic that changed so many ways in how practices, meets, and special traditions were facilitated. While it has been challenging, it has also been very rewarding for your coaching staff and Juniors, Sophomores, and Freshmen on the team. We have learned from you throughout the years, and we will miss you greatly. Thank you for the impression you have left on us and this program. We will celebrate you and the races tomorrow!
