

Sterling 2002

Saturday we demonstrated our stamina coming back in 40 hours after an arduous and emotional Super meet to dominate a huge field with some excellent Illinois competition. The JV ran well despite missing some of our top runners. All 7 varsity credit winners ran great in that race as did several others who had pr performances. Maggie ran an outstanding race breaking 16 and several others pr'd. The Varsity stepped up in Nelle's absence to beat Illinois' 4th best team. Many ran better than last year and maintained their pace an additional half-mile. Let's close the regular season at Noelridge on Thursday with the same great chemistry and enthusiasm that we have displayed all season.
