-City High XC Family-

It was a great day to race on a beautiful XC course! Our staff is so excited for the season, and one main reason is the leadership shown from so many members of this team. This team is a special team and we can't wait to compete against other teams. We will be strong at every competitive level if we keep working hard and supporting each other every step of the way! There's so much you learned about yourself that you now get to apply at IMS on Sept. 3. Fun stuff today Little Hawks!
